ASX ANNOUNCEMENT

Half Year Results Guidance

Altura Mining Limited (ASX: AJM) advises that the net loss for the half year ended 31 December 2013 is likely to be in the range of \$2.4 million to \$2.6 million. This compares with the Company's result for the 6 months ended 31 December 2012 of a loss of \$1.7 million.

The increased loss in the current year is principally due to the impairment of the exploration and evaluation expenditure held for the Balline Garnet project.

These results are subject to audit review.
