INVITATION – INVESTOR BRIEFINGS

- *Five opportunities to engage with Company executives and receive a comprehensive Project update*

Altura Mining Limited values engagement with shareholders, potential investors and other stakeholders.

In November 2017 there will be five opportunities across Australia for investors to attend a corporate presentation and engage directly with Altura's key executives to hear first-hand an update on the Company's rapidly-advancing lithium project, which is on-track to produce at Pilgangoora.

Shareholders and other interested parties welcome to attend any of the presentations, detailed below.
