- (iii) the proportional interests of shareholders with an address outside of Australia, New Zealand, Singapore or Hong Kong will be diluted because such shareholders are not entitled to participate in the Entitlement Offer; and

However, having regard to the terms of the Entitlement Offer which is structured as a pro rata issue and the shortfall offer to be offered in conjunction with the Entitlement Offer, at this time, the Entitlement Offer is not expected to have any material effect on the control of the Company and, as a result, there is not expected to be any consequences flowing from that effect.
